TWO PRIVATE GROUPS BECOME ONE FOR OUR TRIP TO BELFAST

In October this , we had the pleasure of sending not one but two of our groups on a joint holiday. The West Sussex Federation of WI's and The East Grinstead Probus Group came together in what was Airedale's first of many planned holidays to the wonderfully interesting city of Belfast. We spoke to one of the organisers, Clive, on the groups return....

'We are safely home after an extraordinary five days. It was an amazing holiday and many of us are still assembling in our brains all that we saw and learned.

I conclude that the holiday was a success and everyone stated they had enjoyed the programme with much to learn and take in. The two parts of the group mixed well and some new friendships have been made. In agreement with Erika, I took on the role of group leader and gave out the necessary daily information on the coach microphone. Thanks are extended to Airedale for facilitating the visit by combining two groups into one, thus enabling it to happen'.
